2021: No crimes unfounded.

The University, through its Title IX office or Relationship and Sexual Violence Prevention Center, received reports of additional incidents; however these incidents are not included in the above data because they either (i) did not occur on property included within the "Clery geography" listed above or (ii) the reporting party did not disclose sufficient information regarding the nature of the incident or location that would allow the University to determine whether and how to classify and count these incidents.
