2018: No crimes unfounded.

Per 2016 guidance issued by the US Department of Education and for purposes of compliance with the Clery Act and the HEOA, the University has classified as "on campus" those properties within one mile of the core Danforth Campus that the University owns or controls or that an Institution-Associated entity (e.g., Quadrangle Housing or Parallel Properties) owns or controls and operates in support of the University's educational purposes.

The University, through its Title IX office or Relationship and Sexual Violence Prevention Center, received reports of 17 additional incidents; however these incidents are not included in the above data because they either (i) did not occur on property included within the "Clery geography" listed above or (ii) the reporting party did not disclose sufficient information regarding the nature of the incident or location that would allow the University to determine whether and how to classify and count these incidents.
